

**CHASIN BACON IS YOUR
ONE STOP SHOP:**

- HUNTING
- TAXIDERMY
- BUTCHERING
- HD VIDEO OF YOUR HUNT

Decision to hire one of our videographers: Your hunt will be filmed in HD so you can show your friends, family and complete strangers your hunt. It will be professionally edited and returned to you. If you go with our elite package, you will have an amazing hunt; leave that day with pictures of your hunt. The meat will be professionally butchered, your mount will be amazing from our award winning taxidermist and your professionally filmed and edited hunt will be sent to you.

Basically, you can come to hunt with us, have that hunt filmed in HD, have your harvested animal quartered and placed in your cooler or electing to have one of our butchers professionally wrap your meat so it looks like you just went shopping in Publix.
